**7. Requirements**

Refer to AWS QC1, Standard for AWS Certification of Welding Inspectors for further details

- The period of validity for AWS SCWI and CWI certification is three (3) years. The SCWI/CWI shall be responsible for maintaining a current address with the AWS Certification Department. To be eligible for renewal, the CWI must:
  - o Submit an approved renewal application to the AWS Certification Department no earlier than 11 months and no later than 2 months prior to the expiration date of your current certification. Example: Expiration date 06/01/2017, we must receive the application by April 1st 2017 (60 Days) however you can submit your application as early as July 1st,2016 (11 months).
  - o AWS may send a renewal notice, but if not received, **it remains the responsibility of the SCWI/CWI to renew on time.**
- The SCWI/CWI requesting renewal of certification shall attest to having no period of continuous inactivity greater than two years in activities described in AWS [B5.1](#) and [QC1](#) during the previous three years of certification.
  - o SCWI/CWI not meeting the requirements of 15.4 from AWS [QC1](#) may renew by taking the CWI part B Practical exam and meet the scoring requirements of 6.2.2 of [QC1](#).
- SCWI/CWI certification renewals are limited to two consecutive three-year periods.

**8. American with Disabilities Act Accommodations**

By checking this box, I am requesting special accommodations due to a disability. AWS is committed to complying fully with the ADA. [Click here](#) for a copy of the accommodations request package.

**9. Visual Acuity Form**

A current Visual Acuity Form must be completed and submitted with this application. To download a copy of the form, visit our [website](#).

**10. Photo Requirement**

Applicants **MUST** submit one (1) passport-style color photograph. Your photo is a vital part of your application. To learn more, review the information on how to provide a suitable photo to avoid processing delays by visiting our [website](#). The acceptance of your photo is always at the discretion of the AWS.

*Photos copied or digitally scanned from driver's licenses or other official documents are **not acceptable**.*

*Print your name and AWS membership number on the reverse of the photograph.*

*Only use scotch tape on the back of the photo.*

**11. Terms and Conditions-** Please check, date, and sign below.**Certified Welding Inspector**[QC1 Standard for the AWS Certification of Welding Inspectors](#)[B5.1 Specification for the Qualification of Welding Inspectors](#)

- I hereby certify that I have read the standard requirements contained in the certification programs indicated above. Further, I agree to comply with the existing requirements and any subsequent requirements that may be instituted by AWS. I have read and agree to the terms and conditions set forth in the [AWS Policies and Fees](#) form. I certify that the information I have included on this application is true. I understand that any false statements will nullify this application. I give AWS permission to verify this information. I agree to comply with the provisions set forth in the Standard concerning the administration of my examination and certification. Upon obtaining my certification, I give AWS the right to reveal my certification status as it relates to my validity and expiration date. I further understand that any required information that is incomplete or missing will cancel this registration.

**Furthermore, I certify that I have not obtained any exam materials, have no prior knowledge of the AWS exam questions or answers, and have not and will not accept any solicitation for the AWS exam questions or answers from anyone at any time before, during, or after the exam as stated on the [Exam Security Agreement and General Terms of Use](#) (Please click and read this link prior to accepting the Terms and Conditions. You will be required to sign this form on exam day). I understand that a violation of this oath may be grounds for invalidation of my certification and may be grounds for expulsion from any future testing.**
